## Standard equipment

system of heated display shelves

side glass with silk - screen printing

base and front panel made of colored coated steel - different colors available (Igloo pattern book)

top panel illuminated with LED light - different plexiglass colors available (IGLOO pattern book)

interior and display shelves made of stainless steel

price slats - selectable colour (IGLOO colour chart)

buffer with closed stainless steel profile

upper interior lighting + backlight of each shelf

electronic temperature controller with digital display

## Options

side mirrors

base sheets (front and side) made of stainless steel

interior and display shelves made of acid-resistant stainless steel

front display basket of stainless steel

set of wheels (castors)
