Rated voltage [V]	230/50Hz	230/50Hz	230/50Hz
Rated power [W]	51	78	134

Standard equipment

powered only by external aggregate

device prepared for multiplexing

dynamic cooling (ventilated)

wooden external housing - different colors available (IGLOO pattern book)

glass side panels or combined glass divider for multiplexable devices

front glass screen (h. 120 mm)

ecological polyurethane foam insulation

internal frame painted silver, gold or black (IGLOO pattern book)

internal and external back of the device made of gold or silver painted steel (IGLOO pattern book)

3 pcs of glass exposition shelves with height and angle adjustment placed on the frame

lower internal wooden shelf - selectable colour (IGLOO colour chart)

upper interior lighting + additional illumination of each shelf - LED lights (confectionery color)

automatic defrost

electronic temperature controller with digital display

Options

wooden side panels - different colors available (IGLOO pattern book)

internal back of device made of stainless steel

internal frame made of stainless steel for 0.6 model

internal frame made of stainless steel for 0.9 model

internal frame made of stainless steel for 1.3 model

3 display shelves on silver or gold painted frame (IGLOO colour chart)

3 display shelves on stainless steel frame

bottom shelf made of stainless steel

electronic temperature recorder + software

temperature recorder wire

JAMAJKA W OPEN RETRO
