## Standard equipment

external glass elements made of combined glass with black silkscreen

innovative system of withdrawable front with electromagnetic lock

external wooden elements – different colors available (IGLOO pattern book)

wooden top worktop – different colors available (IGLOO pattern book)

internal frame painted – different colors available (IGLOO pattern book)

bottom shelf made of stainless steel

kick plinth made of stainless steel

bottom housing made of black melamine (wood)

top internal LED illumination front frame LED illumination

single electrical outlet

## Options

device prepared for multiplexing

top granite worktop color – grey (thickness: 20 mm)

top granite worktop color – balmoral (thickness: 20 mm)

top granite worktop color - black (thickness: 20 mm)

internal frame made of stainless steel (does not apply to aluminum shelf frame)

set of wheels (castors)

additional electrical outlet
